IT'S THE TOOLS  
THAT SAY HOW GOOD YOU ARE

# F-170M FLANGING MACHINE

## T-DRILL FLANGING TECHNOLOGY

The T-DRILL F-170M is designed for flanging pipe either on the job site or in a pipe fabrication shop.

The F-170M is user friendly with a fully automatic work cycle requiring only 110/230 V power. It saves costs in both labor and material in both new construction and repair work.

Loose flange

Formed end lip

### PERFECT FOR

- Pulp and paper industry
- Chemical industry
- Food processing
- District heating and cooling piping
- Water and wastewater installations
- Ventilations systems
- Shipboard repair activities
- Mechanical services for multi-store buildings
